**BEFORE**  
**THE PUBLIC SERVICE COMMISSION**  
**OF SOUTH CAROLINA**  
**DOCKET NO. 2021-\_\_-E**

**IN RE:**

Joint Petition of Palmetto Electric Cooperative, Inc., Edisto Electric Cooperative Inc., and Dominion Energy South Carolina, Inc. for the Assignment and Reassignment of Territory in Beaufort, Jasper, and Hampton Counties and Approval of Agreements to Limit Corridor Rights.

**JOINT PETITION FOR ASSIGNMENT  
AND RE-ASSIGNMENT OF TERRITORY**

Palmetto Electric Cooperative, Inc. ("Palmetto Electric"), Edisto Electric Cooperative, Inc. ("Edisto Electric"), and Dominion Energy South Carolina, Inc. ("DESC") (collectively, the "Petitioners") hereby jointly petition the Public Service Commission of South Carolina (the "Commission") for assignment and reassignment of certain territory in Beaufort, Jasper and Hampton Counties and approval of agreements to eliminate "corridor rights" in the specified areas. This Joint Petition is made pursuant to The Territorial Assignment Act, S.C. Code Ann. §§ 58-27-610 to -690 (2015).

**I. Introduction**

In support of this Joint Petition, Petitioners allege and show unto the Commission the following:

1. DESC is a corporation organized and existing under the laws of the State of South Carolina. Further, DESC is, in part, an electrical utility engaged in the generation, transmission, distribution, and sale of electricity to the public for compensation. SCE&G's retail electric operations are subject to the jurisdiction of the Commission. Additionally, SCE&G is an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

2. Palmetto Electric and Edisto Electric are both subject to the limited jurisdiction of the Commission as an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

3. The Commission may assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers. S.C. Code Ann. § 58-27-640 (2015).

4. Upon agreement of the affected electric suppliers, the Commission may reassign portions of previously assigned service areas. S.C. Code Ann. § 58-27-650(A) (2015).

5. The Commission has the authority to approve agreements between electric suppliers concerning corridor rights. The Commission shall approve those agreements if, after giving notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable. S.C. Code Ann. § 58-27-620(8) (2015).

6. The Commission has previously exercised its statutory authority and assigned electric service territories within Beaufort County, South Carolina, to Palmetto Electric and DESC.

7. The Commission has previously exercised its statutory authority and assigned electric service territories within Jasper County, South Carolina, to Palmetto Electric and DESC.

8. The Commission has previously exercised its statutory authority and assigned electric service territories within Hampton County, South Carolina, to Palmetto Electric, Edisto Electric, and DESC.

9. The herein proposed assignment and re-assignment of territories among the Petitioners will not cause any customers to change their service; that is, no customers will be affected by the Joint Petition.

10. **Exhibit 1**, attached to this Petition and incorporated herein by reference, is the "Key Map" that depicts the present and proposed assignment of territories in the affected portions of Beaufort County. This Key Map is the result of lengthy good faith negotiations between Palmetto Electric and DESC to assign and re-assign various territories within Allendale County. The characteristics of the Key Map are as follows:

- a. On **Exhibit 1**, the affected portions of Beaufort County are divided into grid blocks (*e.g.*, A2, C2). Each grid block represents a distinct portion of Beaufort County, and is described in further detail by way of additional exhibits attached to this Joint Petition. These grid blocks depict the proposed assignment and/or reassignment of territory at the street level.
- b. On **Exhibit 1**, territory shaded in light green is presently assigned to Palmetto Electric.

- c. On **Exhibit 1**, territory that is shaded in dark green is presently assigned to DESC or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- d. On **Exhibit 1**, territory that is shaded in light red is presently assigned to DESC.
- e. On **Exhibit 1**, territory that is shaded in dark red is presently assigned to Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to DESC.
- f. On **Exhibit 1**, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

11. **Exhibit 2**, attached to this Petition and incorporated herein by reference, is the "Key Map" that depicts the present and proposed assignment of territories in the affected portions of Jasper County. This Key Map is the result of lengthy good faith negotiations between Palmetto Electric and DESC to assign and re-assign various territories within Jasper County. The characteristics of the Key Map are as follows:

- a. On **Exhibit 2**, the affected portions of Jasper County are divided into grid blocks (*e.g.*, D2, E3). Each grid block represents a distinct portion of Jasper County, and is described in further detail by way of additional exhibits attached to this Joint Petition. These grid blocks depict the proposed assignment and/or reassignment of territory at the street level.
- b. On **Exhibit 2**, territory that is shaded in light green is presently assigned to Palmetto Electric.
- c. On **Exhibit 2**, territory that is shaded in dark green is presently assigned to DESC or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- d. On **Exhibit 2**, territory that is shaded in light red is presently assigned to DESC.
- e. On **Exhibit 2**, territory that is shaded in dark red is presently assigned to Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to DESC.
- f. On **Exhibit 2**, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

12. **Exhibit 3**, attached to this Petition and incorporated herein by reference, is the “Key Map” that depicts the present and proposed assignment of territories in the affected portions of Hampton County. This Key Map is the result of lengthy good faith negotiations between Palmetto Electric, Edisto Electric, and DESC to assign and re-assign various territories within Hampton County. The characteristics of the Key Map are as follows:

- a. On **Exhibit 3**, the affected portions of Hampton County are divided into grid blocks (*e.g.*, D4, E5). Each grid block represents a distinct portion of Hampton County, and is described in further detail by way of additional exhibits attached to this Joint Petition. These grid blocks depict the proposed assignment and/or reassignment of territory at the street level.
- b. On **Exhibit 3**, territory shaded in light blue is presently assigned to Edisto Electric.
- c. On **Exhibit 3**, territory that is shaded in dark blue is presently assigned to DESC or Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Edisto Electric.
- d. On **Exhibit 3**, territory shaded in light green is presently assigned to Palmetto Electric.
- e. On **Exhibit 3**, territory that is shaded in dark green is presently assigned to DESC or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- f. On **Exhibit 3**, territory that is shaded in light red is presently assigned to DESC.
- g. On **Exhibit 3**, territory that is shaded in dark red is presently assigned to Palmetto Electric or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to DESC.
- h. On **Exhibit 3**, the area that is shaded in purple represents a municipality; electric service within the municipality’s boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

## II. Request to Assign Area in Beaufort County and Reassign Territory in Beaufort County

13. As shown on **Exhibit 1** (Key Map) and enlarged on **Pages A2, B2 – B4, C2 – C5, D2 – D6, E1 – E6, F1 – F5, and G1 – G3**:

- a. The territory that is shaded in light green is presently assigned to Palmetto Electric.
- b. The territory that is shaded in dark green is presently assigned to DESC or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- c. The territory that is shaded in light red is presently assigned to DESC.
- d. The territory that is shaded in dark red is presently assigned to Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to DESC.
- e. The area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

14. Petitioners respectfully request that the Commission assign the above detailed portions of Beaufort County in accordance with the Petitioners' negotiated agreement.

**15. Agreement to Limit Corridor Rights in Specified Areas in Beaufort County**

In the areas shown on the colored portions of **Exhibit 1**, Palmetto Electric and DESC own many miles of distribution lines that have "corridor rights;" therefore, by virtue of those corridor rights, Palmetto Electric and DESC are each able to serve new customers located in territory assigned to another.

However, in order to avoid wasteful duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, Palmetto Electric and DESC have agreed that they will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner in Beaufort County as set forth in the above paragraph.

**III. Request to Assign Area in Jasper County and Reassign Territory in Jasper County**

16. As shown on **Exhibit 2** (Key Map) and enlarged on **Pages A2 – A4, B1 – B5, C1 – C5, D1 – D5, E2 – E4, F2 – F4, and G2 – G4:**

- a. The territory that is shaded in light green is presently assigned to Palmetto Electric.
- b. The territory that is shaded in dark green is presently assigned to DESC or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.

- c. The territory that is shaded in light red is presently assigned to DESC.
- d. The territory that is shaded in dark red is presently assigned to Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to DESC.
- e. The area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

17. Petitioners respectfully request that the Commission assign the above detailed portions of Jasper County in accordance with the Petitioners' negotiated agreement.

**18. Agreement to Limit Corridor Rights in Specified Areas in Jasper County**

In the areas shown on the colored portions of **Exhibit 2**, Palmetto Electric and DESC own many miles of distribution lines that have "corridor rights;" therefore, by virtue of those corridor rights, Palmetto Electric and DESC are each able to serve new customers located in territory assigned to another.

However, in order to avoid wasteful duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, Palmetto Electric and DESC have agreed that they will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner in Jasper County as set forth in the above paragraph.

**IV. Request to Assign Area in Hampton County and Reassign Territory in Hampton County**

19. As shown on **Exhibit 3** (Key Map) and enlarged on **Pages A3 - A4, B2 - B5, C1 - C6, D1 - D6, and E1 - E3 and E5 - E6**:

- a. The territory that is shaded in light blue is presently assigned to Edisto Electric.
- b. The territory that is shaded in dark blue is presently assigned to DESC or Palmetto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- c. The territory that is shaded in light green is presently assigned to Palmetto Electric.

- d. The territory that is shaded in dark green is presently assigned to DESC or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to Palmetto Electric.
- e. The territory that is shaded in light red is presently assigned to DESC.
- f. The territory that is shaded in dark red is presently assigned to Palmetto Electric or Edisto Electric or is presently unassigned, but the Petitioners request that the territory hereafter be reassigned to DESC.
- g. The area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

20. Petitioners respectfully request that the Commission assign the above detailed portions of Hampton County in accordance with the Petitioners' negotiated agreement.

**21. Agreement to Limit Corridor Rights in Specified Areas in Hampton County**

In the areas shown on the colored portions of **Exhibit 3**, Palmetto Electric, Edisto Electric, and DESC own many miles of distribution lines that have "corridor rights;" therefore, by virtue of those corridor rights, Palmetto Electric, Edisto Electric, and DESC are each able to serve new customers located in territory assigned to another.

However, in order to avoid wasteful duplication of electric distribution lines and appurtenant facilities and to better operate their distribution systems safely, Palmetto Electric, Edisto Electric, and DESC have agreed that they will abandon said corridor rights and not assert a corridor right to serve a customer outside the territory assigned to that Petitioner in Hampton County as set forth in the above paragraph.

22. Petitioners allege that no facilities or territories of any other electric suppliers are affected by the changes Petitioners propose herein.

23. Petitioners allege that each is fully capable of furnishing adequate and dependable electric service in the areas that each now serves and would serve upon the Commission's granting of this Petition.

24. Petitioners have considered the public convenience and necessity in their negotiations and believe the assignment and reassignment of the above detailed territories are in the public interest and assert that the Commission's approval of this Petition will be in the public interest. By making the assignments of territory in the manner described in this Petition, Palmetto Electric, Edisto Electric, and DESC have given careful consideration to system economy, service reliability and good utility practice, efficiency and safety – all of which support a finding that the assignment of territory set forth herein promotes public

convenience and necessity. Moreover, the assignment and reassignment of these territories will avoid the duplication of utility facilities in these areas.

25. Petitioners respectfully request that the Commission determine this matter solely on the basis of this filing unless there are protests or petitions to intervene, and in that event, to set this matter for hearing and determination at the earliest possible date.

WHEREFORE, Palmetto Electric Cooperative Inc., Edisto Electric Cooperative, Inc., and Dominion Energy South Carolina, Inc., having jointly made petition to the Commission, pray that the Commission issue its order:

1. Accepting this Petition as filed;
2. Finding and determining that the territorial assignments and reassignments as set forth in Paragraphs 10 through 21 supersede any prior territorial assignment and that the assignments and reassignments are in accordance with the public convenience and necessity;
3. Reassigning to Palmetto Electric the territories detailed in the attached exhibits and described above;
4. Reassigning to Edisto Electric the territories detailed in the attached exhibits and described above;
5. Reassigning to DESC the territories detailed in the attached exhibits and described above;
6. Reclassifying as unassigned the territories detailed in the attached exhibits and described above;
7. Approving the agreement among Petitioners wherein each has agreed not to assert corridor rights outside the territory assigned to them in the area described in Paragraphs 15, 18, and 21 above.
8. Amending the territorial assignment maps to reflect the assignments and reassignments requested herein.
